

Consolidated Container Company Acquisition by Bain Capital is Completed

ATLANTA, GA – July 3, 2012 – Consolidated Container Company (CCC), a leading developer and manufacturer of rigid plastic packaging solutions in North America, today announced the completion of its acquisition by affiliates of Bain Capital Partners LLC, a global private investment firm. The acquisition, which was previously announced on May 30, 2012, is valued at approximately \$800 million.

Consolidated Container Company specializes in customized mid- and short-run packaging solutions serving a diverse customer base in the dairy, water, beverage, food, household chemical, automotive, and industrial chemical markets. With 59 manufacturing facilities and 2,100 employees, CCC has an integrated, nationwide network of manufacturing and service locations to deliver reliable and cost-effective packaging solutions to meet the needs of a wide range of customers and markets. The company was previously owned by Vestar Capital Partners.

“We are excited to begin our collaboration with Bain Capital on our path toward continued growth and expansion,” said Jeffrey Greene, Chief Executive Officer of Consolidated Container Company. “We look forward to working with Bain Capital to increase value to our customers and deepen our strong customer relationships through new product offerings, development of our technology platforms and increasing our geographic presence to meet their marketplace needs.”

“Bain Capital is pleased to be partnering with CCC and its management team, and we look forward to helping the company build upon its strengths in customer satisfaction, innovation and operations to expand the business in North America,” said Seth Meisel, a Managing Director at Bain Capital.

Citigroup, RBC Capital Markets Corp., Bank of America Merrill Lynch and Credit Suisse (USA), Inc. provided committed financing for, and Citigroup and RBC Capital Markets Corp., also served as M&A advisors to Bain Capital for the transaction. Kirkland & Ellis provided legal counsel, and Price Waterhouse Coopers provided accounting advisory services to Bain Capital. Consolidated Container Company was advised by Bank of America Merrill Lynch and Barclays, and its legal advisor was Simpson Thacher & Bartlett LLP.

About Consolidated Container Company

Consolidated Container Company is a leading developer and manufacturer of rigid plastic packaging, serving a diverse customer base in the dairy, large-format water, beverage, food, household chemical, automotive, and specialty chemical markets. CCC designs, produces, and delivers more than four billion bottles annually that touch the lives of millions of people each and every day. CCC owns and operates manufacturing facilities across North America providing standard and custom packaging solutions to its customers through an integrated network of facilities and technology platforms. From its state-of-the-art Panella Engineering and Development Center to its experienced manufacturing teams across its network, CCC delivers high performance, cost-effective design solutions to meet even the most challenging container applications.
